Message from Rabbi Rosenbaum: Shabbos Elevators

A number of individuals have asked about the Halachic implications of the "Shabbos elevator" recently installed at the University Towers. There are different opinions on this topic. I would encourage people to whom taking the stairs creates a significant difficulty to use the "Shabbos elevator." I would also advise that one only enter the elevator immediately upon the opening of the doors (in other words, if a person happens to come to the elevator area and finds an open elevator waiting I would encourage waiting for the next arrival). Individuals should feel free to discuss the matter further with myself or Rabbi Silver.

Mazal Tov

- **Jacqueline & Rabbi Haim Arzouan** on the marriage of their grandson, Daniel, son of Aviva & Eilan Aghbasshoff of Queens to Tal Avikasis of Brooklyn.
- **Rosalyn & Arnold Bramson** on the engagement of their grandson, Judah Spector, to Tali Brody.
- **Linda & Michael Kaiser** on their daughter Tamara Kaiser Levin's completion of her doctorate in clinical psychology.
- **Zipporah & Jason Rosenblatt** who are celebrating their 50th wedding anniversary.
