The committee has been formed to try to address this need. We are starting a process of discovery which, we hope, will culminate in improvements that will enhance our entire community's Shul experience. If you or a member of your family has a visible or invisible disability, including ones that result from illness or aging, this notice is for you. By October 1, please send us an email with your name and phone number to inclusion@yise.org and one of our committee members will happily contact you within a few days.
