PARKING: Effective December 1, the Shul has a new parking arrangement with the Shopping Center. We will no longer be renting parking from the Pool. Our center parking will be to the side and behind Ben Yehuda (not in front of the businesses on that side). The center does not want us parking in front of CVS. It is very important for the success of this new parking arrangement, which costs significantly less than the arrangement with the Pool, that everyone park in the proper location. If you have any questions, please contact our president, Dr. Marc Katz.

Yasher Koach to the Power Rangers! Thanks to all generator owners who answered the call to help others in our community keep their electronics charged during the recent hurricane. In order to prepare for future weather and power emergencies, the Chesed Committee would like to keep updating the list so it can be available quickly any time it may be needed. If you already volunteered during Hurricane Sandy, you don't need to do anything. If you want to add your name to the list for future emergencies, please email Beth Greene Perera at shevaperera@gmail.com with your name, email, and phone number so she can add your name to the list.
