PARKING: Effective December 1, the Shul has a new parking arrangement with the Shopping Center. We will no longer be renting parking from the Pool. See the separate parking flyer for details. It is very important for the success of this new parking arrangement, which costs significantly less than the arrangement with the Pool, that everyone park in the proper location.

Belonofsky Sanctuary Lighting - Lights in the Belonofsky Sanctuary have been blinking on and off for weeks. Unfortunately the problem is not the light bulbs. For electricians to reach the light fixtures we will require moving pews to allow scaffolding to be set up. That was delayed by the work being done in the Sanctuary and on the sidewalks outside. The work is now tentatively scheduled to be done next week. We appreciate your patience as we work to provide better lighting for the membership.

Are you interested in the lives of our Avos, Emahos, and others mentioned in Tanach? If so, come to the first installment of this year's Oneg Shabbos program with Rabbi Rosenbaum at 8:00 PM, this Friday night, November 23, at the home of Rachelli & Craig Simon, 918 Kenbrook Court. We will be learning about the life of Esav. Light refreshments will be provided by the host family.

Join Dor L'Dor - the family Chevrusah-style learning in a fun environment! Motzei Shabbos, 7:00 PM in Arcola social hall and is open to the entire community! Delicious pizza! Interactive discussions! Raffle of exciting prizes! Lot of fun! This week is sponsored by an anonymous donor.

Shabbos, December 1, morning services at University Blvd. will be suspended to enable people to attend Moshe Mehlman's Bar Mitzvah at the Arcola Avenue main minyan. Friday Afternoon Mincha/Kabbalas Shabbos on November 30, and Shabbos Afternoon Mincha/Maariv on December 1 will take place as usual at University Blvd.
