Making Medical Choices when the Diagnosis is Dire - What is the difference among traditional, complementary, and alternative medicine? What is the Torah perspective on each, and on using any medicine? Rabbi Ahron Lopiansky, YGW, and Dr. Theo Heller tackle these questions, from different perspectives and many years of counseling patients and families. Sunday, December 20, 10:30 AM - 12:00 Noon at YISE. Sponsored by Bikur Cholim of Greater Washington, and the Chesed committees of YISE, KMS and SSJC.

In light of the terrifying daily events occurring in Israel, it is incumbent upon all of Klal Yisrael to pray and do meritorious deeds as a merit for the safety of our brothers and sisters. Those who would like to say Tehillim privately can recite 20, 83, 121, 130 and 142, among many others. May Hakadosh Baruch Hu answer our prayers, watch over the State of Israel and Jews all around the world, and bring the ultimate redemption speedily in our day.
