**Inspired by Rashi: Shemos 19:4 – [Haabom Brought us to Har Sinai] like an eagle, which carries its young on its wings, for all other birds place their young between their feet since they fear another bird flying above them. The eagle however, fears only man, lest he shoot an arrow at it, because no other bird flies above it. Therefore, it places them [its young] on its wings. It says, "Rather the arrow pierce me and not my children".*
