Protecting Yourself in an Age of Fraud

Think you are too sharp to fall for a scam? As Americans retire with more wealth than ever before, there have been significantly more cases of senior financial fraud and exploitation. Most cases are not reported. Victims die at three times the rate of those who haven't been abused.

Our panel will enable you to:

- **Recognize warning signs of fraud, abuse and neglect, and learn what you can do to stop them**
- **Understand how a needs assessment, care plan and follow-up services can help ensure safety and independence**
- **Pick up tips from daily money management programs for helping handle finances**
- **Gain insights on what Jewish law says about the responsibility of someone who suspects abuse and/or fraud**

Speakers:

- **Rabbi David Rosenbaum**, Young Israel Shomrai Emunah
- **Leslie Kessler**, Clinical Social Worker, Senior Services, Jewish Social Services Agency
- **Leah Nichaman**, President of Everyday Money Management
- **Tovah Kasdin**, Director, ElderSAFE Center, Charles E. Smith Life Communities
